For over ten years Clearwater have been hand-crafting a stunning range of luxuriously designed, freestanding baths and coordinated basins. Our passion is to bring to life statement pieces that satisfy all tastes in both modern and traditional styling, across a wide range of sizes, including ones to fit the smallest of spaces with a range of coordinating basins.

Our baths blend elegant design with perfect function to add beauty to your home. Whilst almost all our stone baths are freestanding, the Patinato back-to-wall design offers a uniquely different concept, mixing fashionable styling with practical space saving installation. Equal design attention has been given to the coordinated range of Hoxton mixers, available in three finishes of Chrome, Matt Black and Brushed Brass.

Begin your stunning bathroom design here.

ClearStone

This unique material allows us to craft baths with delicate rims and softer profiles. It has a gloss finish that is scratch-resistant and hardwearing. In the event of minor scratches or chips, Clearstone can be repaired.

The Formoso collection is also available in Matt finish.

Natural Stone

This material gives the bath a heavier and more solid appearance but with a soft, velvety-satin touch. Baths in Natural Stone come with an integrated overflow (except Lonio).

Wash basins

Several of our contemporary baths have a matching countertop washbasin for a coordinated look. Whilst our traditional designs can be paired with a roll-top washbasin mounted on a stainless steel stand.

Installation

To ensure your bath reaches you in perfect condition, the bath is individually boxed and is supplied within a unique synthetic bag that allows the installer to perfectly position it in your bathroom.
