shower valves

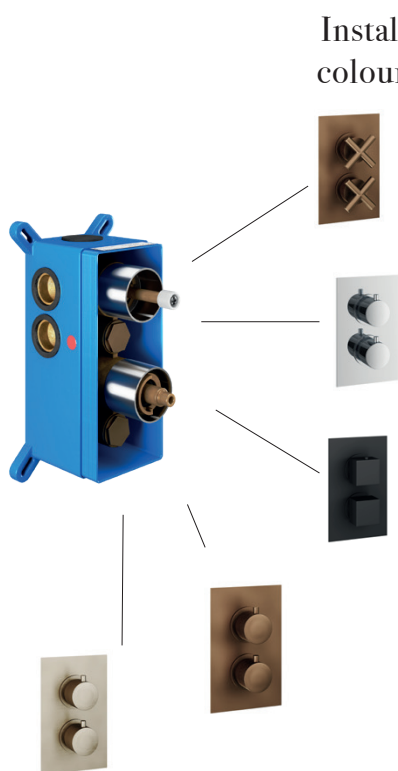

Introducing the new Easi-Box Universal... for ease of installation and a wealth of choice

The new Easi-Box offers the installer not only a simple installation procedure and a choice of many different shower finishes, but also improved serviceability over standard valves.

Ultimate Choice of Style and Colour

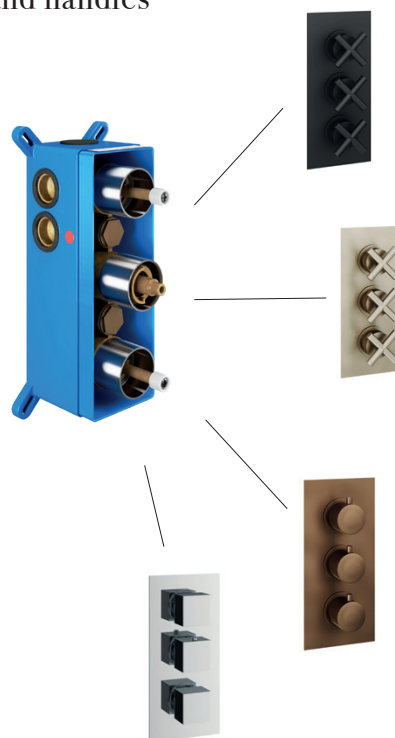

1.

1 & 2 Way Shower Valves

2.

3 Way Shower Valve

Three First Fix Valves... ...endless possibilities!

Making the decision on which style of shower valve to choose just got easier with the new Easi-Box system!

Simply install the universal Easi-Box and associated pipework and perform your testing at first fix stage.

...and after tiling, install your preferred style and colour of finished set.

Easy!

How to order?

There are 2 ways to order your Easi-Box Shower System

1. As a complete kit

Order as a complete kit with one item code.
See overleaf and use complete kit code of any shower system.

Example:

DESCRIPTION	CODE	FINISH	PRICE (EX VAT)	PRICE (INCVAT)
Complete Shower Kit 1 Way Matt Black, Round Handles	TBTS-065-2144	Matt Black	£274.17	£329.00

2. As individual components

See overleaf and use individual separate codes for the Easi-Box, the Back Plate and the Shower Handles

Example:

DESCRIPTION	CODE	FINISH	PRICE (EX VAT)	PRICE (INCVAT)
Universal Easi-Box Thermostatic 1 Way	TBTS-10-4401	n/a	£165.83	£199.00
Emotion Back Plate Only 1 Way	TBTS-125-4421	Matt Black	£50.00	£60.00
Emotion Round Handle Pack 1 Way	TBTS-125-4461	Matt Black	£58.33	£70.00
Total			£274.16	£329.00

The Easi-Box... Modern technology inside...

Easy Fixing Brackets to suit all installation

3/4" horizontal connection points with moisture protection

Front section of Easi-Box easy to trim at second fix stage to suit all wall coverings

Universal WRAS approved Thermostatic Easi-Box for use with multiple finish plates

High quality thermostatic cartridge

Combine Filter and Check Valve for hot and cold (fully serviceable)

Metro Towel Warmer - Outputs and Summer Elements

Sizes H x W mm	Output Watts/BTU	Summer Element	Tappings
655 x 450	315 watts	300 watts	G1/2"
578 x 800	424 watts	300 watts	G1/2"
1193 x 500	528 watts	300 watts	G1/2"
1655 x 500	744 watts	600 watts	G1/2"

Dual Fuel/Electric Heating Options

Standard Element

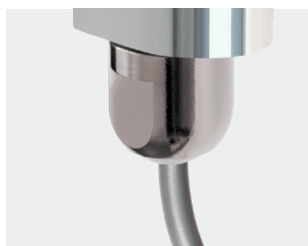

- A simple entry level element with a fixed stainless head (superior to the loose plastic conical head models).
- One fixed heat setting of 65°C regulating the internal radiator temp via a bimetal temperature limiter.
- Power supply controlled from switched fused spur (no power button on the element itself).
- 26mm length from thread down.
- Straight cable, no plug. IP67. Class 1.
- Guarantee: 2 years.

wetroom glass screen packs

the most versatile wetroom glass solution in the UK - in three easy steps...

step one

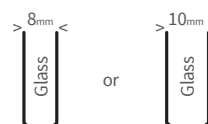

CHOOSE YOUR GLASS SIZE AND THICKNESS

Our toughened safety glass wetroom panels come in 12 different widths and both 8mm and 10mm thicknesses. They also have special EasiClean coating on one side.

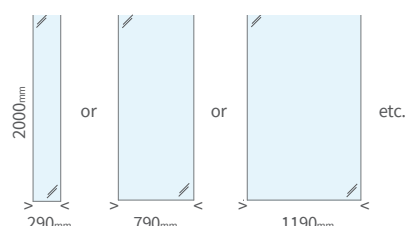

1

A. Choose Your Glass Thickness.

or

B. Choose Your Glass Width.

step two

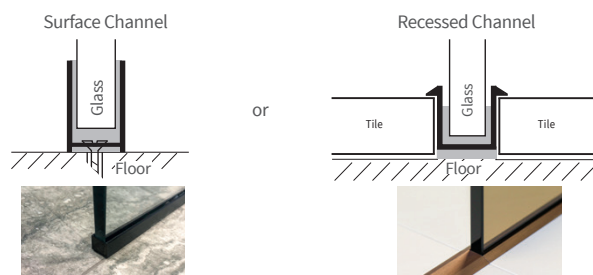

CHOOSE THE TYPE AND FINISH OF YOUR GLASS CHANNEL PACK

We manufacture wetroom glass channels in both recessed and surface versions for the ultimate chic wetroom look. The channels are available in four stunning finishes.

2

A. Choose Your Surface or Recessed Channel

B. Choose Your Designer Finish

step three

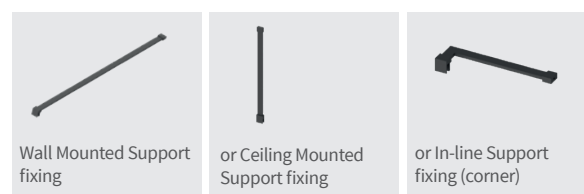

CHOOSE YOUR REQUIRED METHOD OF GLASS SUPPORT FIXING

We offer three types of support in all our finishes:

1. Wall Support
2. Ceiling Support
3. In-line Wall Support (for up to 800mm width glass)

3

A. Choose Your Method of Glass Support

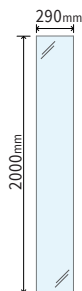

B. Choose Your Designer Finish

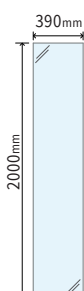

step one

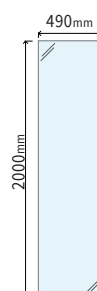

CHOOSE YOUR GLASS WIDTH AND THICKNESS 8MM OR 10MM

General

Prices

The prices displayed throughout this catalogue supersede all other previous publicised price lists. All prices include VAT and are subject to change without prior notice.

Returns

Goods may be returned for credit only following written approval by The Company.

Special-order or bespoke items are non-returnable.

Order cancellation will be subject to a 25% re-stocking charge.

The Company reserve the right to refuse credit on goods returned damaged or in a condition unfit for resale.

Also there may be an applicable charge for the re-boxing of a returned product.

Care and maintenance

Our products are manufactured to exacting standards and following the care and cleaning guidelines below will ensure that your bathroom will give you years of effective use.

Taps & Brassware

Taps and brassware products should be cleaned with a diluted mild detergent such as washing up liquid applied with a soft sponge or cloth, and then buffed dry with a microfibre cloth.

Avoid using acids, rough sponges or steel wool and do not leave detergent on the products for long periods of time.

Towel Warmers

Both mild steel and stainless steel towel warmers should be cleaned only when cold with a moist soft or microfibre cloth. Any surface oxidation on the products should be removed using a metal polishing cream such as 'PEEK'. We also recommend that towel warmers be polished with a PEEK type product on an annual basis to give long-lasting surface protection.

Glass

Our glass wetroom screens are protected by an easyclean nano-technology coating to make cleaning easier. We recommend that glass screens are cleaned with a diluted detergent and dried with a microfibre cloth. We recommend regular wiping of glass screens in order to remove excess water, which in some areas can be quite aggressive.

GENERAL

NEVER use products containing bleach on bathroom products or any cleaners or cloths of an abrasive nature.

Product Guarantee*

The guarantee covers products which have been installed in accordance with the manufacturers instructions, and when used in a bathroom, the room is deemed to have suitable ventilation in accordance with UK building regulations.

The guarantee is available to the original purchasers who have proof of purchase and is non transferable.

The Company operate a policy of continuous product development. In the event that a faulty product has been superseded, the Company will replace the product with the nearest equivalent item. The Company reserve the right to change designs and specifications without prior notice.

In the event of a product fault after installation the Company must be given the opportunity to inspect the item in whatever state it deems appropriate.

The guarantee does not cover consequential loss (your statutory rights will not be affected)

The guarantee does not cover products which have been modified in any way.

The guarantee covers products in normal use. Faults or damage caused by neglect, misuse, willful or accidental damage, inappropriate cleaning and incorrect installation are not covered under the guarantee.

Unless stated otherwise, all guarantees are against manufacturing defects only.

Guarantee exceptions are stated below:

Sanitary ware

Ceramics are guaranteed for 15 years against manufacturing defect. Cistern innards and toilet seat hinges are guaranteed for 12 months.

Shower and Bath screens

Plastic Seals are guaranteed for 12 months.

Brassware

All Brassware is guaranteed for 15 years against manufacturing defect with the exception of cartridges, hoses and O rings which are guaranteed for 5 years. Note: guarantee on cartridges does not cover damage caused by excessive hard water.

Towel Warmers

Electric heating elements are covered for 12 months.

Furniture

Furniture is guaranteed for 10 years, however the guarantee excludes damage caused by water of excessive moisture.

Returns Policy

The Company do provide the option to return goods under the terms listed below. Please note we can only deal with any return request from the original customer.

This Returns Policy must be read in conjunction with our Terms & Conditions. The Company reserves the right to vary this Returns Policy from time to time.

Items not eligible for return:

All bespoke items

All glass products

Electric only towel warmers

How to initiate a return request:

Via our Dealer Portal

Via email salesupport@abacusmg.co.uk

Return of unwanted goods

The Company does not operate a sale or return policy. Please note Goods which are no longer required and that have been held by the Customer for more than three months from the date of invoice cannot be considered for return and/or credit.

Goods can only be returned by prior arrangement. The Company will require photos of the goods to ensure that they are in a suitable condition for transit and resale. It is the Customers responsibility to ensure that the goods are ready for collection upon the agreed collection date in order to avoid any additional re-collection charges.

All returned Goods must be in their original packaging and be fit for resale as damaged goods cannot be credited. A minimum 25% restocking charge will apply. Uplift charges may vary depending on the type of product and number of items being returned (i.e. large and heavy items), however the standard uplift charge for consignment items is GBP14.95.

Goods received back in anything other than re-saleable condition may result in the request for credit being refused or re-boxing charges may apply. The Customer acknowledges that whilst the Company is willing to arrange return transport via an appropriate carrier, the issue of potential damage or loss on the return journey is at the Customers risk.

If the returned Goods are due to an the Company picking or inputting error, the Goods will be collected and/or replaced with no uplift charge and no re-stocking charge.

Reporting of faulty goods

Before/during installation

Any goods that are faulty either prior to or during installation must be reported immediately in order for us to handle your request efficiently. An image will be requested and if the Company are satisfied that the Goods are faulty, we will either arrange uplift of the product for collection and inspection, credit and/or supply free of charge replacement product.

After installation

Any Goods that are reported as faulty after installation should not be removed. Please contact the Returns Department immediately. All faults reported after installation must be authorised by the Company before any work is undertaken. The Returns Department will contact the end user directly in order to obtain full details and any further required information.

In the event that the fault is not covered under the warranty the Returns Department will provide a full report outlining the findings.

For any approved faulty goods, please note that the Company will provide replacement goods / credit for the faulty items, however do not cover any consequential loss/charges incurred.

Reporting of damaged goods

In the event that your goods arrive damaged, please notify the Returns Department via salesupport@abacusmg.co.uk within 24 hours of delivery.

Photos will be required in order to arrange uplift and re-supply of your goods.

Reporting of missing goods

In the event that goods have been signed for and part of your order is missing, please notify the Returns Department via salesupport@abacusmg.co.uk within 24 hours of the delivery. We are unable to process claims submitted outside of these timescales.
