A NAME YOU CAN TRUST

At Booth & Co. we have a desire to develop and manufacture the very best in traditional brassware, combining time-honoured British craftsmanship with outstanding product performance, all supported by our exceptional customer service.

We only work with the best materials and specialise in complex design engineering to ensure all products that carry the Booth & Co. mark deliver exceptional quality and performance.

Appropriate products from our Booth & Co. collection are WRAS approved for additional reassurance and for your water safety. A WRAS approval, certified by the Water Regulations Advisory Scheme, is an easy way to demonstrate that a material or water fitting is of a suitable quality and standard.

Staying true to methods used from times past, every distinctive Booth & Co. product combines traditional manufacturing techniques with advanced technology, to offer an unrivalled 15-year guarantee and deliver a product that truly can stand the test of time.

Axbridge is the latest Booth & Co. collection of taps, showers and accessories that epitomises luxury as it should be. Exuding period styling reminiscent of Victorian times, every intricate design detail echoes the rich, ornate styling of the era. Each exquisite piece has been carefully hand finished to radiate superior quality and timeless sophistication, encapsulating modern day, period living.

Timeless design. Pioneering performance.

RENOWNED REPUTATION

A GLOBAL BRAND

Part of the VADO family, Booth & Co. offers unparalleled levels of customer service, so whether you are buying your first bathroom or are a large-scale project developer, we tailor our support to suit you.

With a wealth of high-profile customers in our project portfolio, you can be assured you are buying the best of bathroom brassware.

OUR COMMITMENT

SUPERIOR QUALITY

Our exacting production and strict quality control procedures guarantee complete peace of mind when it comes to product performance both inside and out.

BRITISH ENGINEERING

Reflecting decades of superior British design and engineering, each Booth & Co. product is as time-honoured on the outside as it is pioneering within.

EASY INSTALLATION

Carefully crafted for a seamless final fit, each item is developed to make installation quick and simple.

PRODUCT PERFORMANCE

We believe our products should not only look beautiful but deliver a sensory experience. All our products deliver optimum water performance with visual appeal.

A SYMBOL OF EXCELLENCE

Expertly designed in Cheddar, Somerset, Booth & Co. bears the hallmarks of a brand that is rooted in domestic heritage.

SUSTAINABILITY

Printed with 100%
renewable energy and
vegetable based inks

**WORLD
LAND
TRUST™**

www.carbonbalancedpaper.com
CBP006899

We are proud that all Booth & Co. packaging is 100% recyclable, protecting the environment for future generations.

We have printed this brochure on 100% FSC® certified paper, using materials that have been sourced from responsibly managed forests and comply with the highest social and environmental standards.

We are also proud to be participating in the World Land Trust's Carbon Balanced Paper programme, which will offset any emissions produced from the production of the paper whilst making this brochure. Our donation will help protect threatened habitats.

COMPATIBILITY

Low Pressure	—	(0.2 – 0.5 bar)
Medium Pressure	—	(1 – 1.5 bar)
High Pressure	—	(3 bar)

Each item of brassware is compatible with standard bathroom basins, baths and all household plumbing systems.

Throughout this brochure, you can identify which products work best with your household plumbing system using the low, medium and high pressure references.

AXBRIDGE *Chrome*

The Axbridge collection in lustrous, polished chrome is the ideal colour choice to add a touch of style and sophistication to a classic design scheme.

CROSS *Chrome*

Complemented by dove white, ceramic indices, the Axbridge cross collection harnesses a beautifully refined handle aesthetic to recreate a timeless look.

A chrome towel bar is mounted on a wall with a beige towel hanging from it. The wall features a combination of light blue vertical panels and white square tiles. The towel has a textured, waffle-like pattern. The towel bar is a sleek, horizontal chrome rod with decorative end caps. One end cap is visible, showing a circular logo with the text "AXBRIDGE" and "CHROME".

GUARANTEE

All VADO products come with a 2 year guarantee as standard. Within this guarantee period VADO will provide replacement parts and any labour [SEE NOTE 1] needed to complete the product repair.

This standard guarantee may be extended by registering your product to give up to a 15 year guarantee period. Once registered:

Booth & Co. chrome and nickel brassware products have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

VADO chromed brassware and stainless steel products have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

All other VADO products have a 3 year guarantee (2 years parts and labour plus 1 year parts only) [SEE NOTE 2].

GUARANTEE CONDITIONS

Our products are guaranteed against manufacturing defects from the date of purchase until the expiry of the relevant guarantee period shown above.

The guarantee is only valid if:

1. The product has been installed, used and maintained (maintenance guidelines can be viewed here) in accordance with VADO's instructions and subjected to normal use only.
2. The defect is not due to use of an unsuitable or inadequate water or power supply.
3. The defect is not due to accident, misuse, neglect or incorrect/inappropriate repair (other than by VADO or VADO authorised agents) or damage caused by foreign objects or substances.
4. The extended guarantee is only available if you have completed the Guarantee Registration Process. This can be done via the VADO website or via phone to our aftersales team.

Registration must be completed within 6 months from date of purchase.

Under the extended guarantee period VADO will, at its option, offer to supply any replacement product (or component part) assessed to be defective [SEE NOTE 3].

The guarantee (whether standard or extended) is non-transferable to any subsequent owner.

All claims under the guarantee should be notified in the first instance to our Aftersales department, contact details below, this must be done no later than the last day of the relevant guarantee period. All claims must be accompanied by proof of purchase (sales receipt or delivery note) from an official VADO dealer.

The guarantee does not extend to any consequential loss or damage.

After repair or replacement, the relevant guarantee period will be calculated from the original date of purchase.

VADO operates a policy of continuous product development and therefore reserves the right to change the product, packaging and documentation specifications without notice.

NOTES:

[1] Labour via our engineer network is only available in the UK. Attendance by a VADO engineer or sub-contract engineer will be under our standard terms and conditions.

[2] VADO spare parts and shower hoses are under a parts only guarantee.

[3] VADO reserves the right to charge in advance for a product (or replacement part) pending collection and investigation (at VADO expense) to confirm a defect is due to a manufacturing issue. If a defect is found the charge will be refunded or cancelled.

This guarantee is in addition to and does not affect your statutory rights as a consumer.
