Waters
Baths of Ashbourne

Welcome to our new edition
six bathing collections.

Based in Ashbourne on the edge of the Peak District National Park, Waters Baths take inspiration for the design of our bath collections from the surrounding natural beauty and ever changing seasons to create stunning bathroom centrepieces.

So if you enjoy a steaming hot bath, a cool, quick dip or a luxuriously long sud-filled soak, we believe it should be exceptional time after time. With such a wide choice we know there's a Waters bath for you.

Elements gloss & matt stone baths

A unique mixture of Quartz and Limestone, hand finished to ensure every product meets our exacting standards and your expectation.

Go high-end with DQ cast Infinity matt white or match your sanitaryware with our new M+ cast material.

Stunning design, combined with everyday practicality ensure a range of baths and basins un-surpassed for quality, design and comfort.

&

Did you know?

Elements Stone's insulating properties ensure our baths stay warmer for longer.

They are superior in strength to acrylic and cast iron, will not flex or creak, and in the event of an accident can be repaired or repolished, ensuring years of flawless enjoyment.

Finishing Touches...

To add a personal touch to your Waters Elements bath we can personalise the outer surface for you with a choice of three metallics or any eggshell colour from leading paint suppliers. In addition, you can choose white, chrome or brushed nickel waste finishes.

For a trouble free, long life of your bath we recommend only the use of our wastes and traps. To ensure your bath remains looking its best, a five piece care kit is included with every bath purchase.
