Phoenix - The Complete Bathroom Solution

Furniture Mirrors Sanitaryware

Heating

Traditional

Why choose Phoenix?

Over the last 20 years, Phoenix has evolved from a leading bath and whirlpool distributor to having one of the most exclusive and all-encompassing ranges available on the market today.

Drawing on our 40 years of manufacturing heritage, Phoenix have invested heavily in a state of the art, purpose-built furniture production facility based in Yorkshire. This gives us total control over stock, designs, and most importantly quality of materials and build.

Choosing the correct bathroom can bring not only aesthetic pleasure but true tranquillity. That is why our design team draws on inspiration from around the globe to bring you the latest and most on-trend designs possible and all built to exacting quality standards.

Whether you are looking for cutting-edge minimalistic designs or opulent elegance, Phoenix has the bathroom you have been dreaming of, all laid out in the new look 2021 brochures making choosing your desired bathroom a pleasurable experience.

SHOWER ENCLOSURES

Our sourcing and design teams have worked tirelessly to bring together both ingenuity and design flair to create the new Phoenix shower enclosure series.

Crafted from only the finest raw materials and engineered to exacting standards, giving you piece of mind that Phoenix enclosures are not only aesthetically beautiful but built to last, that's why we are proud to give our lifetime guarantee on all Phoenix enclosures.

Beauty is in the eye of the beholder and design works very much the same way. This is why Phoenix have created a diverse enclosures series featuring 10mm frameless roller, 8mm frameless rise and fall hinge series, 8mm semi framed roller series, 8mm fully framed series. This, with our unrivalled walk-in options, means Phoenix have the design for your dream shower.

X-STONE SHOWER TRAYS

X-Stone by Phoenix - Strong, solid, durable - what more can we say about the tried and tested technology that goes into an acrylic capped, solid cast resin shower tray.

Featuring a high flow 90mm trap and waste, the Phoenix X-Stone shower tray series not only looks stunning but performs.

AMANZONITE

THE QUALITY OF AN AMANZONITE BATH

Over the last 20 years Phoenix have developed an unrivalled reputation for luxury bathing that incorporates the most versatile and contemporary designs.

This commitment to our customers doesn't start and end simply with shape, size and colour. We also look at the materials used and how these can be manufactured to provide durable products that continue to deliver and offer you, the customer, the product lifespan you expect.

Modern technical advances are always being analysed by our designers and one development we are proud of introducing to the market is Amanzonite, which delivers the ultimate in strength, rigidity and heat retention.

Amanzonite is a reinforced layer applied to our baths which enhances their thermal properties. This gives you a consistent bathing experience time and time again and ensures your bath is always the welcoming feature of the home that you need it to be.

Although it was originally developed for heavy duty applications, Amanzonite is now respected throughout the industry and is the barometer of quality by which bath manufacture is judged. As a result, it has become our most popular bath option.

WHIRLPOOL & AIRPOOL SYSTEMS *

unrivalled industry experience to provide practical cleaning and maintenance solutions and luxurious design options. Unique design features make Phoenix whirlpools stand apart from the rest:

- V-Jet system fully drains the bath every time
- Phoenix Dry-Run Pump Protection means the system can't run without water
- All airpool jets are made from low profile chrome-plated solid brass and non-return valves prevent unseen water sitting in pipes

- The Phoenix whirlpool range has been developed using our · Variable three-speed airpool blowers allow finite adjustments to customise your bathing experience
 - An optional inline heater can maintain a consistent water temperature during bathing
 - All Phoenix systems are manufactured in our Yorkshire production facility and come fully guaranteed including our engineer back-up service

Additional, easy-to-use lighting features can enhance your bathing experience with underwater, rotating and coloured light options.

Often mistakenly thought to be the reserve of only the rich and famous, whirlpool and airpool systems are luxurious, affordable and definitely one of the finest investments you could make in your personal and family well-being.

Developed from years of experience and using the latest technology, each system has been carefully designed to ensure maximum benefit with long lasting reliability.

With a choice of 3 high performance whirlpool and airpools to choose from, each individual system is manufactured specifically to suit your chosen bath.

For unrivalled choice in customised bathing luxury simply follow our guide on the next page to discover the features and extras each system can provide. With our wide range of options, all you need to do is sit back and relax...

* WHIRLPOOL & AIRPOOL SYSTEMS

All system baths do not include brassware/tap/filler or waste.

HOME PRESSURE DIAGRAMS

Gravity Fed (Low Pressure) System

- Cold water storage tank in the loft
- Hot water cylinder

LP

Boosted Gravity Fed (Low Pressure) System

- Cold water storage tank in the loft
- · Hot water cylinder
- Booster pump

Phoenix recommend the installation of an inline water fillter to prevent the build-up of limescale and maintain the longevity of all your household products, including your taps and showers.

Mains High Pressure System

• Unvented cylinder with expansion vessel

Combination Boiler System

• 'Combie' boiler providing hot water and heating

TOUCH VALVES

Unrivalled beauty and total functional control are all at the touch of a button. The Touch shower valves are available in both round and square designs and in 1, 2 and 3 function options.

To make choosing your dream shower even easier, we've developed more Doccia collections giving you total choice in your shower design.

RIGID RISERS & SHOWER COLUMNS

Rigid riser rails and shower columns were originally designed to be used where the wall cavity will not allow for a concealed valve. Things have moved on a long way since then and now these exposed shower units encompass extremely beneficial features including touch on/off controls and our Coldtouch safety feature.

Phoenix have developed a series of shower columns made from stainless steel, either polished or powder coated in elegant matt black and striking white.

TAPS & ACCESSORIES

The finishing touches are what makes true design come to life and Phoenix have developed 13 series of taps and accessories to perfectly finish your dream bathroom.

All Phoenix taps are cast from the finest brass raw material and hand polished, then fitted with world leading Sedal cartridges and Neopearl aerators. All Phoenix accessories are manufactured from polished chrome plated brass giving our taps and accessories both form and function for many years to come.

TERMS & CONDITIONS

PHOENIX PRODUCT GUARANTEE:

All product guarantees are subject to the following terms and conditions: The product has been fitted/installed in a well ventilated room with appropriate air extraction, and in accordance with the appropriate fitting instructions, local bylaws, by a competent qualified installer and in line with general good plumbing practice; The product has been maintained and cared for in accordance with the instructions (including regular and appropriate cleaning); If any product has been modified, misused, neglected, wilfully or accidentally damaged; or if Phoenix have not received payment in full; then the product guarantee is invalid.

The guarantee on all products is 12 months from the date of supply from Phoenix unless otherwise stated. The guarantee only covers the material structure of products (excluding shattering glass) and not serviceable moving parts that perish due to fair wear and tear such as cartridges, valves, hinges, seals, bulbs etc.

In the event of a guarantee claim, the liability of Phoenix is limited to the product supplied and does not extend to consequential loss or damage arising from defective product. The guarantee applies to the original purchaser ONLY and is not transferable. This guarantee does not affect your statutory rights and is applicable in the UK Mainland and Republic of Ireland (exclusions apply, see website for details). All products installed in a commercial or rental property environment carry a 12 month guarantee.

The specifications and prices contained within this brochure are for information purposes only and, as our products are continually updated, are subject to change without prior notice. We cannot be held responsible for the use of incorrect dimensions shown for first fix without the actual products on site. All dimensions stated in this brochure are nominal and are subject to manufacturing tolerances. All prices include VAT at 20%.

For technical information and downloadable Data Sheets, please visit: www.phoenix-uk.com

To guarantee your Phoenix product, please register within 15 days of receipt. Visit: www.phoenix-uk.com/pages/guarantee

‡Production Item - All production items are specially produced in our UK factory and have a delivery time of approx. 7-10 working days. These items cannot be cancelled or returned after production has commenced.

RETURNS PROCEDURE:

Phoenix appreciate that choosing your ideal bathroom does not always run as smoothly as you may wish. Whilst we do not operate a sale or return policy, we do provide an option for the return of products under the conditions below:

- 1. It is our policy to only accept the return of unwanted products in good condition in their unopened original packaging that have been supplied within two months from the date of invoice. Returns requests can be made via the following options:
- www.phoenix-uk.com/pages/online-returns-form
- www.phoenix-uk.co.uk/pdf/2016 Returns Reguest Form.pdf
- Email a completed returns form to returns@phoenix-uk.com

All return requests must be made by the Phoenix Customer who originally purchased the goods stating the original invoice or delivery note number, the product code and description, quantity of items for return along with a clear description of the reason for return.

2. Upon receipt of the returns request our returns team will process the relevant paperwork to arrange the collection of the requested products. We may sometimes require additional information relating to the returns request such as images of the products to highlight any relevant reason for return. It would be a benefit if these can be provided at the time the returns request is submitted to us. Once confirmation that the goods are available for collection a carrier will be booked to collect the items. Should a failed attempt be made to collect the goods for return then a fee to cover the transport costs for the failed delivery may be applied and deducted from the value of the credit.

- 3. All items that are due to be returned must be suitably packaged to reduce the risk of damage during transit. Any products that are found to be returned damaged due to being unsuitably packed may result in a request for credit being refused.
- 4. Any products returned in a condition other than that which is stated in the returns request may result in a request for credit being refused.
- 5. Any items that have been reported and accepted by Phoenix as faulty or damaged will be credited in full upon inspection on return to our warehouse. Please note that any damages or shortages will only be accepted if reported within two days of receipt in writing by email. Notification outside of the two day period will void any claim.
- 6. All items returned, with the exception of faulty or goods reported damaged when originally delivered, will be subject to a transport and administration charge.
- 7. Any goods returned as not required may be subject to a restocking charge. To obtain the value of the restocking charge in advance of any return, please contact our returns team by email at returns@phoenix-uk.com providing the details of the product and original purchase invoice. Any restocking charge will be applied to the credit issued in line with our terms and conditions of sale.

As per our conditions of sale and terms of our guarantee, the liability of Phoenix is limited to the product supplied and does not extend to consequential loss or damage arising from products received defective or damaged.
