## What is Armour+ ?

Armour+ baths have more strength and are heavier than standard acrylic baths. The extra layers created during the Armour+ process give a significantly reinforced product. The finished Armour+ bath offers a higher degree of comfort and luxury, backed with an unbeatable 30 year guarantee. Due to their enhanced rigidity, Armour+ baths are recommended for showering.

### ARMOUR+

#### The Benefits

#### Lucite acrylic:

## Elements Wetrooms.

Our design-led approach manufacturing means that our Abacus Elements Wetroom products combine the ultimate strength with the utmost peace of mind.

Elements range offers the most comprehensive range of wetroom and waterproofing products currently available. Comprising a large collection of wetroom trays with multiple choices of size and drain styles,

Elements also offers the complete solution from waterproofing bathroom walls and floors to wellness products and steam rooms, all backed with a 15-year guarantee.

## Easi-Plan. Flushing & Support Systems.

Easi-plan is an ultra flexible range of concealed sanitaryware installation frames that allow the bathroom designer to design with flair and imagination with no need to compromise the installation quality.

- The hidden frames cover all aspects of sanitaryware and brassware installation including WC's, basins and bidets. They create a pre-wall fixing system that eliminates the need for unsightly pipe boxing and exposed pipes.
- Easi-plan has been designed specifically for the UK market and its innovative design and installation features make this the future of bathroom design.

## Elegance Towel Warmers & Radiators.

An extended range of towel warmers and radiators which will enhance the appearance of any room. Available in various finishes including Stainless Steel along with Matt White, Matt Black, Terra Matt and Anthracite.

Abacus Towel Warmers come in a variety of shapes and sizes offering something for everyone.

## Ultima. Designer Radiator Valves.

A comprehensive range of designer valves and accessories to accompany the Abacus Towel Warmers range. With now even more reason to accessorise with our brushed bronze, matt black, brushed nickel and black nickel valves along with the digital wall controller, a great alternative to thermostatic elements.

## Colour Your Bathroom.

Make a contemporary designer statement in your bathroom with matching coloured brassware and accessories throughout. Bold, confident and chic styling makes for an ultra-coordinated look for the modern bathroom.

Available in matt black, brushed bronze, brushed nickel and chrome.

Perfectly colour matched components across all of the Ki, Plan and Iso ranges, including accessories and wetroom components.

## Care and maintenance

Abacus products are manufactured to exacting standards and following the care and cleaning guidelines below will ensure that your bathroom will give you years of effective use.

### Taps & Brassware

Taps and brassware products should be cleaned with a diluted mild detergent such as washing up liquid applied with a soft sponge or cloth, and then buffed dry with a microfibre cloth.

Avoid using acids, rough sponges or steel wool and do not leave detergent on the products for long periods of time.

### Towel Warmers

Both mild steel and stainless steel towel warmers should be cleaned only when cold with a moist soft or microfibre cloth. Any surface oxidation on the products should be removed using a metal polishing cream such as 'PEEK'. We also recommend that towel warmers are polished with a PEEK type product on an annual basis to give long-lasting surface protection.

### Glass

Our glass wetroom screens are protected by an easyclean nano-technology coating to make cleaning easier. We recommend that glass screens are cleaned with a diluted detergent and dried with a microfibre cloth. We recommend regular wiping of glass screens in order to remove excess water, which in some areas can be quite aggressive.

### General

NEVER use products containing bleach on bathroom products or any cleaners or cloths of an abrasive nature.
